**Mobile Food Carts**

# PIPER Meal Delivery Options

Almost 15 million students nationwide enjoy free or reduced-price breakfast...

...and the numbers are growing!

Schools are looking for mobile cart solutions to feed the increasing number of students. Piper has the answer two-fold.

Introducing the Stowaway Portable Breakfast Cart and Mobile Food Cart. Two variations of a theme that let you choose the perfect fit for your operation. Compare our features and options and decide which is the best for your school.

## StowAway® Portable Breakfast Cart

The patented StowAway® design beats all other portable carts when it comes to flexibility and functionality. It includes a stainless steel work surface, heavy duty casters, storage bumpers, and it is NSF approved. When not in use, it folds up and stores upright in less than 2ft<sup>2</sup>.

### Standard Features

- Heavy gauge, vinyl clad aluminum exterior surfaces
- Lockable cabinet latches
- Stainless steel work surface
- Heavy duty casters
- Perimeter trim bumper
- Collapses to small footprint

## Mobile Breakfast Cart

Mobile Breakfast Carts offer even more ways to serve. They are available in 3 different lengths, and can be ordered in solid top, ice pan, or mechanically refrigerated models. Then choose from a selection of tray slides and overhead shelves for added convenience and capacity. The fiberglass base can be ordered in any RAL color.

### Standard Features

- Heavy duty fiberglass base
- Lockable, heavy duty casters
- Stainless steel work surface
- Available in 50", 60" & 74" lengths

### Convenient Options

- Ice & mechanical refrigeration
- Overhead shelves
- Tray slides
- Understorage
- Push handle

## Durable fiberglass carts offer greater capacity and convenient options

Pound for pound, our fiberglass base is stronger than concrete, steel or aluminum. It is dent proof, scuff resistant, lightweight, and easy to clean. With limitless color choices, the molded-in surface coat containing the color is resistant to ultraviolet attack and airborne contamination.

Choose your color, options and style and enjoy the most durable cart in the industry.

Easy cleaning

Hundreds of colors

### Chilled Options

Chilled carts can be used multiple ways. Stock it like a cooler with ice and drinks; use as an ice chilled well with pans, or order a mechanically refrigerated cart for precise temperature control.

**Ice units** are available in 3-5 pan sizes. The 5" deep well accepts 12"x20" pans up to 4" deep and includes a standard drain for easy cleaning.

**Mechanically refrigerated** carts utilize a 120 volt, 1/3 HP compressor to help keep food fresher, longer.

### Shelving Options

From the single to the dual overhead shelf, either single or double-sided, we have the right display to handle the busiest of traffic.

### Understorage Options

Choose from open storage with intermediate shelf, or add locking hinged doors.

60" Ice cooled breakfast cart with optional 3-Bar tray slide

50" Mechanically refrigerated breakfast cart with optional solid ribbed tray slide

\*Custom options available. Contact Piper for more details.

60" Solid top breakfast cart with open understorage and push handle

74" Breakfast cart with understorage and locking doors

# PIPER Vinyl Wrapping options

Vinyl wrapping your breakfast cart adds a pop of color and excitement to your meal service. Choose from these standard designs, or work with Piper designers to create your own.
